

## Number Practice

I 5 have 4 an itch 34 to learn 98 these 2 words. I love 80 to 7 learn 67 new 21 things. Each day 45 is 2 better 58 than the 43 last. I 4 love the 70 students 32 in the 3 class. They 59 are so 93 very 6 nice. I 33 love them 24 so much!

21 I do 52 have one 71 question that 19 I think 3 about 44 a lot. When 10 will the 67 way that 4 I 49 write at 55 school 73 become faster 16 and easier? I 7 want to 88 write with 96 as much 22 speed 4 as I 28 can. Of 1 course, I 66 know that 87 it is 97 very 5 important that 49 I should 31 write very 11 clear. I love 42 being a 2 student. It makes 60 my 19 heart sing.

I heard 5 that we 13 have 6 some new 69 rules to 35 follow in 4 this class. We 8 can 53 grade our 22 own papers. As 3 far as 82 a great 38 person, there 71 is no 4 one who 88 is better 2 than my 27 teacher. Yes, sir, 50 I love 36 school.
